

Pastoral / Educator Incentive

If you work as a part-time or full-time member of a church, please call Michelle Garza to find out about our pastoral discount. We also offer an educator incentive for after hour care, so please give us a call. It is Masterpiece Christian Academy's goal to ensure that every family can afford a Christ-centered education if this is truly the ultimate goal for your child. Do not hesitate to call us and schedule a visit. It would be our honor to answer any of your questions and create a plan that will fit your family budget. Please, do not hesitate to reach out to us. We will do everything in our power to work with any parent who has a heart for Christian education to be a part of our family.
